**We're passionate about reaching Manchester, the Northwest and beyond with the good news of Jesus. As the world becomes increasingly focused on digital communications, the church needs to respond and create content to reach those who may solely access information via digital means.**

Much of the UK's good reformed content is locked up in live events – only accessible to those there physically. The digital content being made mainly comes out of the US – meaning it isn't always relevant to a UK audience. As a hub church, we want to create more gospel content on Christian basics, apologetics, evangelism, music, leadership training and

more to equip the UK church for reaching the next generation of unchurched and dechurched people. Capturing, creating, editing and designing this content is a job requiring skill, expertise and various kinds of knowledge (cultural, biblical, ecclesiological, doctrinal).

**So we're recruiting for a Creative Intern to help increase our online gospel presence.**

The role includes –

- access to theological studies
- spiritual formation
- mentoring
- leadership development
- ministry opportunities
- an exciting 4-6 week placement at a US partner church

Our fast-paced and flexible work environment will progress your spiritual formation and professional skills and experience quickly – in fact, much faster than traditional learning environments.

## **QUALIFICATIONS**

- A strong desire to serve God using your creative gifts to reach others with the gospel
- A heart for evangelism and discipleship
- A creative mindset
- A willingness to learn and grow in your faith and professional development
- Good communication and interpersonal skills
- A strong commitment to Christ and personal growth

## **DESIRABLE SKILLS & EXPERIENCE (in any of the following)**

- Graphic Design & Illustration
- Podcasting
- Filming & Editing
- Styling & Art Direction
- Email marketing, copywriting & copy editing
- Social media strategy & engagement
- Marketing & Fundraising
- Live Streaming & YouTube
- ProPresenter
