

Apprentice/Intern/Parish Assistant

Is God drawing you to an exciting and challenging ministry in a spiritually needy area? Are you looking to grow in your faith and discern your future calling?

We are a group of evangelical churches, affiliated with the Anglican ReNew network, working together to seek to reach our city region of Hull.

We are looking to appoint new workers to learn and serve together with our church teams starting in September 2021 (or possibly earlier). A combined training package is on offer, with many opportunities to serve, grow and learn with others. A Maintenance and Training grant is available, along with supervision from experienced mentors and regional learning and fellowship with Bible Training Yorkshire.

We are looking for men and women who are keen to serve and learn; Biblically orthodox in life and doctrine and commended by their own church. There are many ministry opportunities which would be explored in accordance with the gifts, strengths and development needs of successful applicants.
