

Ministry Training

COMMENCING 31 AUGUST 2021

CHRIST
CHURCH
KENSINGTON 

We have a great opportunity for ministry trainees to join us at Christ Church Kensington, an evangelical Church of England church, set in the heart of residential Kensington.

Along with the village feel of the parish, we're just a stone's throw from Imperial College London and the Royal College of Music. We run a traditional liturgical service as well as a contemporary evening service – so there's plenty to get stuck in with and gain experience from with a variety of ministry areas, including youth & children, students and adults – along with helping the essential practical running of the church.

Formal training provided through the Cornhill Training Course, where a number of our staff are already involved in leading groups. Supervision and support from more experienced gospel workers.
