I understand that Ministry Interns are Non-Employed Voluntary Workers. (Each Intern is strongly encouraged to apply to the [Jesus Lane Trust](#) for a grant to cover living costs, and accommodation is provided by the church free of charge. We do not expect our Interns to need to raise their own funds.)

I understand the post is subject to full enhanced DBS disclosure (for regulated activity with children) and the person appointed will need to sign the Leaders' Agreement and Statement of Faith.

I understand that St Andrew the Great takes the safety of everyone within the church very seriously and expects all voluntary workers to work within the church safeguarding policy (see www.stag.org/safeguarding) and complete the necessary safeguarding training.

I understand that an Occupational Requirement exists for the voluntary worker to be a practising Christian in accordance with Schedule 9 of the Equality Act 2010.

I understand that In order to be considered for this role applicants must have the right to work/volunteer in the UK (e.g. settled status or graduate visa) for the duration of the role, and I confirm that if St Andrew the Great request to confirm my visa status, that I will provide when requested, the visa or a certified copy of the original.
